

## **National Muslim Youth Summit Committee Member – Graphics Designer (Volunteer)**

Are you passionate about issues facing Muslim youth? Do you want to be part of a team of young Muslims who are working towards addressing the challenges faced by young Muslims in Australia? If so, the National Muslim Youth Summit Committee (NMYSC) is looking for a young Muslim with a Graphics Design background to join our Committee!

### **About Us**

Many young Muslims raised in Australia find themselves feeling underrepresented and without a voice. Young Muslims are lacking accurate and diverse representation and are constantly omitted from issues concerning their community.

The National Muslim Youth Summit (NMYS) is a biennial summit for Muslim youth that facilitates and addresses this underrepresentation. By engaging youth in robust discussions on cultural, socio-political and religious viewpoints in conjunction with the challenges facing them in the current social climate; the summit provides an opportunity for young Muslims to voice their opinions and for their input on the types of projects and programs they feel they would benefit from. The NMYSC was formed to bring these projects to life. Since the last summit, we have launched the NMYS Report, have implemented a Mentorship Program and have begun a series of events aiming to unpack the salient, yet hardly spoken issues impacting young Muslims.

### **The Role**

As we have now begun to expand the number of programs we are offering, it is becoming more important for the Committee to develop our own design content. We are looking for a confident Graphics Designer who can project the values and goals of the NMYSC throughout our newly developed social media platforms.

### **Responsibilities**

- Design engaging and creative content for our Instagram platform
- Create flyers and infographics for programs, events and our upcoming podcast series
- Work closely with our Committee to create brand colours and guidelines
- Work closely with our Committee to assist in the creation of a logo
- Design content for any Marketing collateral connected with an event or program

### **Eligibility**

- Creatively minded and confident in graphic design.
- Confident in designing content using Adobe CC –Illustrator, Photoshop and In Design or similar platforms.
- Strong attention to detail.
- Strong passion for Muslim youth issues with a desire to give back to the community
- Ability to work well within a dynamic and diverse team
- A highly motivated self-starter

This is a volunteer position with fortnightly 1.5 hr team meetings and 3-5 hours of weekly work.
